Great location and great accommodations. The place was exactly as described, everything was working in the suite. The host was very nice and accommodating. Check in and out was straight forward. Have stayed in this residence 3 times (other hosts) and would be happy to stay here again.

Loved the location, walking distance to Lalaport Mall and the gourmet street where there are so many choices for eating. The gym was also brilliant. I will stay here again on my next visit to KL.
